January 2020

PRINCIPAL'S MESSAGE

Dear Families,

Merry Christmas to our community! These past four months have gone so quickly. Thank you to our entire community for making Victoria such a special place. December was packed with learning, presentations, trips, carol sings, concert, bake sale and spirit days. I greatly enjoyed all the traditions and excitement before the holidays. Thank you staff your dedication, hard work and care for our students! I hope you have a safe and relaxing break (Winter Break-Dec. 23rd-Jan. 3rd). School resumes on Monday, January 6th, 2020. Happy New Year!

Yours truly,

Mr. S. Shad

January School Council Announcements

EVERYONE IS WELCOME!

Please support our Bingo Fundraisers. Victoria School has Bingo events throughout the winter and spring seasons. The proceeds from Bingos allow us to subsidize trips and special activities at school. We need two volunteers to attend each Bingo. Please consider offering your time. It is a 2 1/2 hour commitment. Each time you volunteer, your child will be credited \$10 towards trips. Please contact the office if you would like to volunteer. If, we do not have the required two volunteers, we will lose funding. Thank you. You must complete the Bingo Training in order to volunteer for any Bingo. The upcoming training dates are:

Wed., Jan. 14, Wed., Feb. 12, Tues., Feb. 25, all at 6:30 pm, at The Gale Centre, Memorial Room.

Next School Council Meeting Date:

Tues. January 28th, 6pm.

Mad Science, the world's leading provider of educational and entertaining science programs for children is coming to Victoria Public School! They will be getting kids excited about science with fun, entertaining and exciting activities and demonstrations.

Students and teachers will be thrilled on 07/Jan/2020 when Mad Science comes to the school to do a Spectacular Science show. The assembly will be educational, entertaining and also the kick off to the Mad Science Club. The Club is a 6-week science enrichment program offered to the students. Students who join the Science Club will go on a voyage of discovery designed to support the Ontario Science and Technology curriculum. The topics will be different this year than when Mad Science was last at the school. The Club will take place on Thursday, January 23, 30, February 6, 13, 20, 27 from 12:50 PM - 1:40 PM. Mad Science also performs Birthday Parties, Camps and Special Events. Give them a call at 905-937-1878 and watch out for them in Malls, at Fairs, Festivals and Scouts and Guides.
