PRINCIPAL'S MESSAGE

Dear Families,

February has flown by! All our students were engaged in great learning. Our students enjoyed some great events as well (Mad Science, Pink Shirt Day, Niagara Ice Dogs presentation).

I am very thankful for the excellent staff at Victoria. They have demonstrated tremendous dedication to our students, community and each other. Well done!

We wish our student teacher, Miss Worden all the best as she completes her placement on March 6th. We are grateful to her for sharing her music expertise with our students.

Have a wonderful March Break (March 16th-20th). Take care!

Yours truly,

Mr. S. Shad

March School Council Announcements

EVERYONE IS WELCOME!

The Victoria School Council is looking forward to the Danceathon on Thursday, March 12th, from 1:10 pm until 3pm. A student information sheet with all the information has been sent home. A special thanks to our two Coop Students (Catherine Ball and Elizabeth Fernandez Ricardo) for all their work on planning and running the event. Thanks also to our Student Parliament for making the posters.

Please support our Bingo Fundraisers. Victoria School has Bingo events throughout the winter and spring seasons. The proceeds from Bingos allow us to subsidize trips and special activities at school. We need two volunteers to attend each Bingo. Please consider offering your time. It is a 2 1/2 hour commitment. Each time you volunteer, your child will be credited \$10 towards trips. Please contact the office if you would like to volunteer. If, we do not have the required two volunteers, we will lose funding. Thank you. You must complete the Bingo Training in order to volunteer for any Bingo. The upcoming Bingo Training Dates are:

Wed. March 11th, Tues. March 24th, Tues. April 14th, Wed. April 29th at 6:30 pm, at The Gale Centre, Memorial Room.

Next School Council Meeting Date:

Tues. April 28th, 6pm.

STOP
the spread of infection!

- Get a flu shot.
- Stay home if you are sick. Return when you are well.
- Wash your hands. Use soap and water or hand sanitizer.
- Cover your cough or sneeze with a tissue or into your sleeve.
- Keep your distance. Avoid shaking hands and close contact with people who are sick.

905-688-8248 ext. 7330 or 1-888-505-6074

STOP
Cover your cough

Cover your mouth and nose with a tissue.

Cough or sneeze into your sleeve, not your hands.

Put your used tissue in the garbage. Clean your hands with soap and water or alcohol-based hand rub.

Bike Safety

With warmer and nicer weather around the corner, more students will be outdoors taking part in Spring activities, including bike riding.

A properly fitted and correctly worn bike helmet can cut the risk of serious head injury by up to 85 per cent. This means four out of five brain injuries could be prevented if every cyclist wore a helmet!

The human skull is just approximately one centimeter thick, so it is important to remind children to always protect their head. To make sure a helmet fits right, follow the 2V1 Rule (image courtesy of [Parachute](#))

Visit the Ministry of Transportation of Ontario's [Young Cyclist's Guide](#) for more information.

Don't Forget!
Be a role model for children by always wearing a helmet!

2V1
TO MAKE SURE YOUR HELMET FITS RIGHT!
